LEARN LEADERSHIP SKILLS

Through whole-group sessions and smaller workshop-style sessions, campers will develop effective leadership skills and gain valuable ideas to implement on their campuses.

- Develop personal and interpersonal skills.
- Ensure future success in high school, college and the 21st century workforce.
- Staffed by professional and credentialed educators.
- Training California student leaders for 36 years.

At CADA/CASL Camp, your student leaders will acquire the skills necessary to help them promote a positive school culture and climate & serve, involve and connect the students on your campus. Watch as they become:

- Dynamic Student Leaders
- Well-rounded Team Players
- Creative Problem Solvers
- Effective Communicators
- Successful Presenters
- Visionary Planners
- Prepared for College and Career Studies

FUNDING FOR CADA/CASL CAMP MAY BE AVAILABLE THROUGH THESE SOURCES

Associated Student Body funds, school site and district budgets, LCAP funds, Title IV (Safe & Drug Free Schools), Tobacco Use Prevention Education Program (TUPE), Title 1, IDEA funds, School-to-Career sources (because of the large number of SCANS skills offered), and local community service clubs. Don't be afraid to explore other avenues of funding.

REGISTRATION PROCESS

TRANSPORTATION TO CAMP

All students are to be transported by parents, advisors, or a common carrier (train, bus, or plane). Due to legal concerns, students may not drive themselves to camp under any circumstances.

UC Santa Barbara: Shuttle service to the UCSB campus from the GOLETA train station (NOT Santa Barbara) will be available on the first and last day of camp for a $10 round trip fee. Santa Barbara airport shuttle service is also available by the University free of charge.
Santa Clara University: The train station is within walking distance to SCU.

Early Arrival: Early arrival option for schools traveling a long distance will be available at an additional cost. Early arrival schools must make their own shuttle arrangements as the UCSB CADA shuttle is only available on the first and last days of each camp. Early arrival includes housing only the night before camp. Space is limited.

For GOLETA train shuttle or Early Arrival housing, reserve your spots by May 24 as part of your Camp registration or call CADA Central to add to your registration.

ROOMING

Students will get a taste of the college dorm life experience as they spend their nights in the dorms at U.C. Santa Barbara or Santa Clara University. Students will be assigned two-to-a-room. Camp councils meet in the dorm common rooms (UCSB) and campus classrooms (SCU). Advisors will get to relive their college dorm life experience as they also spend their nights sleeping in the dorms on campus. Advisors are assigned two-to-a-room. Single rooms are available for an additional cost of $50.00 per night, space permitting.

REGISTRATION POLICIES

CADA Camp Policies

1. Registration: Accepted on a space available basis only. We may sell out, so register early to guarantee your spot. **Santa Clara University Camp:** Due to the smaller size of this camp, delegations are limited to no more than 24 students.

2. Advisor Supervision: Advisors receive a discounted rate to attend CADA Camp since they are asked to supervise camp activities, along with CADA Camp staff. Each school delegation must have an accompanying advisor or responsible adult attend the camp program. **Schools with delegations of 15 or more must bring a second adult chaperone.** All adults attending on behalf of a school must be fingerprinted and approved chaperones through their respective school district.

3. This is a residence program only. All participants must stay in the college residence halls with the rest of the campers. **No "drive in" participants allowed.**

4. Roommates: Students will be placed in gender-specific rooms on gender-specific floors. **Pairs of students from the same school will be placed in the same room when there is an even number of students of the same gender. When there is an odd number from a school, the remaining student will be placed with a roommate from another school.** Due to safety concerns, the University does not allow more than two students per room. Advisors will also be placed in gender-specific rooms with a roommate. Roommate requests for both students and advisors should be included as part of the **Online Student and Advisor Information Form**, which will be emailed to the contact person after the registration form and payment is received by CADA Central. A limited number of single rooms for advisors will be available on a first-come-first-served basis at an additional cost. If an advisor pays for a single room and there are no more available, a refund for the rate difference between double/single occupancy will be given.

5. Important Registration Dates: Refunds: Request must be received, in writing to *info@cada1.org*, by **May 24, 2019**. A $50 administrative fee will be deducted from your refund. After this date no refunds can be made. You may make a substitution, please see #8 for details.
Camp Times: Onsite camp check-in runs from 11:00 a.m. – 1:30 p.m. on the first day. Structured activities end at 12:30 p.m. (UCSB Middle School) and 11:30 a.m. (SCU & UCSB High School) on the last day of camp. Please make travel arrangements for after structured camp activities end. Early departures negatively affect camp councils and their various projects.

6. Camp Payments:
a. CADA is not able to process Purchase Orders – **Absolutely NO Purchase Orders will be accepted**
b. A $100 deposit will be accepted for each camper to reserve their spot. The remaining balance must be submitted by **May 24, 2019** to keep your reserved spot.
c. Advisors can make a single credit card transaction by logging in to their account at *cada1.org*. Credit card information forms can also be submitted by individual families, if needed. Checks made out to "CADA" will also be accepted by CADA Central.

7. Cancellations and Refunds: Cancellations must be received by **May 24, 2019**. Any refunds received will be charged a $50 administrative fee per school. **No refunds will be issued after May 24.** Cancellation request must be made in writing and sent to *info@cada1.org*.

8. Substitutions/Replacements: If a student or advisor is being replaced after they have submitted their Online Information Form, please email *camp@cada1.org* and provide the name of the student/advisor being replaced with the name of the new student/advisor attending. The new attendee should complete the Online Information Form as soon as possible. **After May 24, 2019, replacements must be of the same gender since rooming assignments will be completed in the weeks prior to camp.** Always have replacement attendees complete the Online Information Form as soon as possible.

9. Email Communication
Don't miss important communications. Make sure these addresses are in your email address book:
camp@cada1.org
camp@cadaboard.org *NEW IN 2019

10. Verify Registration:
Once registration receipt is received via email, please double check accuracy of information contained on the receipt. Please contact CADA Central immediately if any information appears to be incorrect (i.e. camp date, early arrival reservation, camp shuttle reservation, email address, etc.)

Step 2

SUBMIT ADVISOR AND STUDENT DELEGATE INFORMATION

Once your registration is processed through CADA Central, the advisor who registered will receive a confirmation email receipt. This email will include:

- Link to the Online Student and Advisor Information Forms. All students and advisors attending camp with your school must complete the online information form by May 24. This information will be required for us to assign housing and camp councils effectively, order special dietary meals, and order correct t-shirt sizes. **Any forms submitted after the May 24 deadline will be assigned a size adult medium t-shirt.** Special meals for dietary restrictions may not be available after May 24.
- CADA Camp Student Medical Form. All campers will need to bring two copies of this completed medical form to camp with them.
- Additional important information regarding camp.
- Key deposits will not be collected by CADA. Schools will be financially responsible for lost keys, but will be billed after camp. Schools may choose to collect key deposits from their students. Lost key fee: $60 (UCSB) & $15 (SCU).

PROGRAM

CAMP AT UCSB "MIDDLE SCHOOL"

FOR STUDENTS IN GRADES 6-8 IN THE 2019-2020 SCHOOL YEAR

This unique three-day middle school camp program will allow your younger leaders to gain valuable experience in leadership. Middle school students will be organized into councils under the guidance of credentialed CADA staff members assisted by student board members of the California Association of Student Leaders (CASL). Council curriculum will focus on various leadership topics that will create a strong foundation for the student leaders as they return to their school campuses in the fall. Opportunities are provided for advisors and students to meet for goal-setting, planning and daily debriefing. In addition to two keynote speakers, students will participate in and gain ideas from rally game sessions, a SWAP session, and team building and interest session workshops. An advisor or responsible adult is required to attend with your school delegation. Delegations larger than 15 require a second advisor or responsible adult.

CAMP AT UCSB "HIGH SCHOOL"

FOR STUDENTS IN GRADES 9-12 IN THE 2019-2020 SCHOOL YEAR

The high school program runs four days. Students are organized into councils under the guidance of credentialed CADA staff members and the curriculum will focus on various leadership topics that will create a strong foundation for the student leaders as they return to their school campuses in the fall. Each council will be responsible for a project that is produced during the camp experience giving students a collaborative hands-on experience. Projects may include organization of the camp talent show, recognition, large group management, media/ technology, lunchtime activities and other events that reflect projects that would take place during the school year. Students will hear three keynote speakers and participate in and gain ideas from rally sessions, SWAP sessions and interest session workshops. An advisor or responsible adult is required to attend with your school delegation. Delegations larger than 15 require a second advisor or responsible adult.

CAMP AT SANTA CLARA UNIVERSITY "MIDDLE & HIGH SCHOOL"

FOR STUDENTS IN GRADES 7-12 IN THE 2019-2020 SCHOOL YEAR

Similar in structure to the high school camps at UCSB, the Northern California camp program runs four days and will include students from both middle and high school. An advisor or responsible adult is required to attend with your school delegation. Due to the smaller size of this camp, delegations are limited to no more than 24 students. Delegations larger than 15 require a second advisor or responsible adult.

CADA CAMP SLAM!

Students from around the state are invited to sign-up to present one idea in 3-minutes or less on stage at Camp. The CADA Camp Slam! is a great opportunity for a student from your school to spotlight an activity idea, a lesson taught in leadership class, a personal leadership quality, or anything that the camp audience might find beneficial. Students can apply to present when they complete their Online Information Form. Additional details will be available in online Camp materials once your school registers.

ADVISORS

Advisors will meet daily with CADA Camp staff to discuss camp policies and routines. Additionally, professional development topics will be designed to assist new and experienced advisors in developing the most effective strategies to meet their individual school activity plans. Advisors will also have an opportunity to enroll in a 200-level Master Activity Advisor (MAA) Program course during camp. This course can be taken for an additional fee for advisors interested in pursuing their MAA certificate. You must pre-register for the course to allow for appropriate staffing. Information about the MAA program can be found at www.cada1.org/certification.

TALENT SHOW

(SANTA CLARA AND UCSB HIGH SCHOOL CAMPS ONLY)

All campers are invited to try out to participate in the Camp Talent Show. This extremely popular show features singing, dancing, acting, juggling, skits or any other talent you or your group has. Bring your musical instrument, your music, your dance steps, drama presentation, or anything else you might need to participate. Sign-up for tryouts during check in on day one of camp.

FULL SCHEDULE

From the moment students arrive at camp, the schedule runs from sun up to past sun down. Our philosophy is to provide a full experience for our students and their advisors. While we provide some time in the schedule for school delegations to debrief and collaborate each day, much of your common planning and goal setting will take place after camp ends: on the trip home, back on your campus, often with the rest of your student leadership organization. Students are encouraged to take notes, attend all sessions, and return to school to report back all of the ideas and excitement they gained from camp.

FUN AND GAMES

Upon arrival at camp on day one, activities will be available during check-in time to allow students to begin networking with their new friends from around the state. Daily recreation activities will be available during lunch time. And a camp dance will be held one evening of camp. We encourage all students to model appropriate dancing during this event as they would back on their school campus.

MESSAGE FROM THE COORDINATOR

Go the Distance! Vision • Grit • Resilience

In many ways, the school year can feel like a marathon to a student leader; a constant focus on the goal. To commit to running in a marathon, one must first develop a ***vision*** for how to effectively prepare for the big race and have the ***grit*** to maintain the rigorous training schedule prior to the event itself. Inevitably, roadblocks will be presented in training: injuries, other interests, friends, time. But in the face of these roadblocks, the runner must be ***resilient*** no matter what.

Student leaders face the same dilemmas throughout a school year. Summer is the perfect time to develop a ***vision*** for the school year and work with a core group of school delegates to formulate both school-wide and personal goals. Committing to serve the student body positively and selflessly for a full year requires ***grit***. Not all goals will be achieved. There will be naysayers toward activities planned. As the year progresses, administrators, and advisors may say no to some ideas, exhaustion may set in, other interests may creep up, but the student leader must be ***resilient*** to continue toward the goal of making a positive impact on the campus climate and culture.

In summer of 2019, CADA/CASL Leadership Camps will train our student leaders from California and beyond to ***Go the Distance*** at ***The Leadership Marathon!*** The starting line for camp will take us back to Santa Clara University for a four-day camp, open to students in 7th-12th grade June 24-27.

The marathon course will then take us to the water station, right next to the Pacific Ocean for our camps at UC Santa Barbara with four high school camps (July 7-10, 12-15, 17-20 and 23-26) one middle school camp (July 23-25).

Get ready to run to #CADACamps 2019! Submit your registration as early as possible to claim your preferred start time. A $100 deposit per person will reserve your spots at camp. And if you pay the entire amount by April 12, you will save $50 per student with early-bird pricing.

On behalf of the entire CADA Camp Staff, we look forward to seeing you in Santa Clara or Santa Barbara this summer for CADA/CASL Summer Camps: The Leadership Marathon!
