“JUST DANCE” Recap

Congratulations to Jessica
Holman and Kelly Todd

Kelly Todd was honored as the “Advisor of the Year”. Mrs. Todd is a current member of the Area B Council and she teaches at Menlo-Atherton High School. She has taught for twenty years and has been involved with CADA since 1996 thanks to Cindy Bader. She dedicated seven years to the activities program at Menlo-Atherton and four years at Tracy High School. Mrs. Todd brought Link Crew to Tracy High School and enhanced the programs at Menlo-Atherton to assist students

and their families. Her greatest accomplishment as activities director was partnering with Second Harvest for the annual can food drive that brought in enough food to feed 450 families.

New to Convention was a BIG HIT! Congratulations to **Stephanie Huber** from Valley Christian High School who won **FREE** registration to the Advisor workshop AND the student conference! Area B will contact you with details.

Jessica Holman was nominated by her school to be this year's recipient of the Area B Bob Burton Spirit Award. A graduate of Rancho Cotate High School, where she currently teaches, her nomination

letters came from students and her principal. Her ASB President wrote, "Jessica Holman strives to make a positive difference in her school, her community and her students." Lili Troung the ASB Clubs Commissioner stated, "She has brought our school to be the

leading school for donating the most blood and the majority of cans donated to meet the needs of our Rancho neighbors and that is only a part of all the tremendous work she does for our school." An advisor for the last ten years her principal Aimee Carter wrote, "I am so excited for the opportunity to nominate Jessica Holman, and the finest ASB Director I have ever worked with who makes "spirit work" at Rancho Cotate High School by empowering her student leaders.

You have to enable and empower people to make decisions independent of you. As I've learned, each person on a team is an extension of your leadership; if they feel empowered by you they will magnify your power to lead.

November Student Conference Keynotes

Area B is happy to announce that the student conference keynote speakers are Eddie Slowikowski who did some smooth dancing at the CADA Convention and inspired us with his high energy and stories. Micah Jacobson a co-founder of the Boomerang Project will be the other keynote speaker. One of Micah's talks is about "Making Your Mark" In a crowded world, we all wonder how we can make our mark. How can we leave a legacy through the choices we make and to live life to its fullest potential? These two speakers are guaranteed to inspire and empower our students.
