NOTES FROM OUR COORDINATOR

Area C

Happy New Year to our Captivating Area C. Yes, you are courageous, communicative, champions, creative, cooperative, compelling, cheerful, charismatic, competitive, colorful, caring, crazy, cool, companions and I'm so proud and honored to be your Coordinator. The awesome CADA Convention is coming up soon and I know that the finances of our schools may be tight. Remember that our Associated Student Body Funds can legally

pay for your registration. In most schools, the ASB can pay for hotel, travel and the substitute. At my last school, I asked the School Site Council to pay for my hotel, travel and substitute and they wrote it in their School Site Plan.

The Area C Board has strategically put on the Student and Advisor Conference. A big thank you to Tim Liles from Fresno Unified for providing our location for the Advisor Conference. He not only had everything in order, but he gave all of his Activity directors the day

off to attend. Tim is so awesome and a definite friend to Directors of Campus Culture. I look forward to serving you in the best way I can. Please don't hesitate to contact me by email or phone. Thank you for allowing me your confidence!!

"C" you soon,
Lauretta
