

C-5: The Pumpkin Splat-Denise Van Doorn

The Pumpkin Splat came from the fact we were a new school and from all over the neighborhood so we needed to create Bear Valley traditions....new things to bring us together. Now each year we have one boy and one girl to represent their grade level and they can hurl the pumpkin down from the second story building to make the biggest combined splat from the target below. We also found this fun because we are the only 2 story school in the district.
