Share a smile or friendly greeting

To some stranger on the street

It will bring a ray of sunshine

To some person you may meet.

Share a little act of kindness,

It could brighten someone's day,

It could bring a spark of courage

To someone who lost their way.

And you'll feel much better for it,

It won't cost a single dime,

It could make a world of difference,

Share a minute of your time.
