Homecoming Dress Up Days

Please upload a picture of each dress up day in the boxes below. In the last box, tell me what was your favorite dress up day and why. You must dress up for 4 out of the 5 days and attend the parade, or you will get a strike.

Monday	
Tuesday	
Wednesday	

Thursday

Friday

Favorite Dress up day and why:

My favorite was the character day because a lot of people really dressed up for that one and it was cool to see everyone as their characters and ask what they were

Picture of me at the Parade: I was at a tennis tournament but, I was able to film the second 

showing of the floats

If you had to vote, which float would you vote for and why?

I voted for katelyn and joseph's float because they were apart of our class and our council sponsored them.

Committee Work Evaluation

Month: October Task: Homecoming rally

*Please change the **font** or **color** for your responses

1	Names in group: (Each member must fill out their own form, but still list all names) Drew- 10 Alyssa- 10 Kimberly- 8 Emily - 8
2	Describe what your group did for the month. For this month my group did the entrance of the homecoming rally. We made posters, painted a door and set it up the night before. We also did lunchtime activities for about 3 weeks. We made a poster for the activity that we did.
3	What did you do specifically for your committee? What were you in charge of? For my committee I specifically cut out the letters to the poster, painted, traced, and set up.
4	Did you learn anything new about yourself or your group while working with them this month? I learned that when I get something done then me and my group can start new things for our committee and we can all help each other in different ways.

5	Describe one thing that was challenging this month. One thing challenging was that we had to restart the poster because it did not come out the way that we wanted it and that was a set back on time for us.
6	What was your favorite part of what your committee did this month. My favorite part was that when it was all done we got to see all the hard work that we put in the night before.
7	Rate yourself from 1 to 10, 10 being the highest and tell me why you gave yourself this rating. I give myself a 8 because I stayed after school for 2 days to help with the poster, I also painted most of the poster but I could have done things differently with my time management.
8	Rate your teammates from 1-10, 10 being the highest. Be sure to include their names and give me specific reasons why you rated them the way you did. Drew- 8 because he helped with everything that was going on when I was doing and he was always on task Kimberly - 7 She would help with what we were all doing but she would go with her friends for a while. Alyssa - 9 she came after school with me and she helped me a lot on the poster. Emily - 7 she would help with that we were all doing but she would go with her friends for a while.

9	What two things have challenged you the most in leadership thus far? Caused you to stretch, to grow, get out of your comfort zone? Consider everything we have done so far, not just this month's work. 2 things that have challenged me are time management and coming up with the ideas that we are going to do. It is hard to get everyone's ideas and to be able to make it happen.

1	Names in group: Galy, Mandy (Each member must fill out their own form, but still list all names)
2	Describe what your group did for the month. For the month of November we were lunch activities. We raised money for pulled pork dinners for the homeless. We stayed during two lunches and made flyers and a poster. For december we worked on promoting Mr. Emperor by making flyers and applications.
3	What did you do specifically for your committee? What were you in charge of? For my committee I worked on poster making organizing the days we would stay in from lunch and passing out the meals to the homeless.
4	Did you learn anything new about yourself or your group while working with them this month? I learned that it feels good to help people. Helping the homeless really made me feel grateful for what I have. I also learned that my group works really hard and we work better as a team.

9	What two things have challenged you the most in leadership thus far? Caused you to stretch, to grow, get out of your comfort zone? Consider everything we have done so far, not just this month's work. Two things that have challenged me so far is getting out of my comfort zone and being different and really being a leader that someone can look up to.

I don't find any weakness in the activity.</p> |

Attach your pics for each dress up day below and tell me what was your favorite day and why.

My favorite day was Star wars day because a lot of people thought that I was adorable for being a small Dark Vader. It would be better if it wasn't raining.

Reflection Sheet
Oscar Night/Mr. Emperor

Please in the questions below. Be sure to change your font and color, so it is easier for me to read. If you do not know how to upload pictures, please see me asap!

1. What did you do specifically for Oscar night and/or Mr. Emperor. What task or thing did you take charge of?

For Oscar night, I present the award for "Best Dressed." For Mr Emperor, I was the main director and spent most of the time with the contestants, getting them ready for their big day, scheduling practices and events, and was in charge of running the show with the help of my four group members.

2. What was the hardest part about either event that you found?

The hardest part about Oscar night was having only an hour to get fully ready before the big show.

The hardest part about running Mr. Emperor was making sure everyone went to all the practices and making sure they have everything they needed for the big night.

3. What was the biggest lesson you learned from working with your class?

From working with my class, the biggest thing I learned was who was willing to work and who was just giving excuses on why things we're not done or why they did not show up to a practice or event.

4. What would you suggest to next year's groups when planning these events? Be

For the next group running Mr. Emperor, make sure to have at least three months to plan, practice, and organize the event. You need time to choreograph an opening number. You also need time to schedule events with service clubs because some only have a meeting once a month. You will also need time to find sponsors, judges, and other acts to pass time along during the show.

5. You were asked to post our event to your social media. Please take a snapshot of your post and place the picture here. Advertising is part of being in leadership.

I do not have any pictures from Oscar Night, but I presented the "Best Dressed" award.

6. Both of these events were mandatory events for Advanced leadership. Please post your picture here, so i know you were in attendance. Also, note your hours, because these hours count! Yay!

4 hours ~ Oscar night
40+ hours ~ Mr. Emperor

DHS PHOTO Scavenger Hunt

Rules:

1. All members of your team must be in every photo.
 - a. One may take the picture, but choose a different person each time, or do selfie mode.
2. All photos must be posted to the assignment on classroom and turned within 24 hours of the hunt - Choose one team captain to upload.
3. Be quiet while roaming around school and DO not disturb other classes. Any phone calls or complaints from teachers or security will result in being disqualified.
4. Extra points for creativity in the photos.
 - a. 1 point per correct photo
 - b. 1-3 points for creativity
 - c. 1 extra credit point if an adult is in your photo (you cannot disturb teachers who are teaching... only if they are out walking around, or you run into them)

1	This one is HARD to miss, but if you do... you won't know what is coming up as far as activities go. Walk by with caution, because it is sometimes still wet.
2	Within these seats hold the spirit of our town, the pride and joy of DHS.
3	Graduating classes may engrave in these stones, but typically deceased names are here in their memory, forming the Walkway of memories.
4	Some classes stand and face in this direction every morning at 8:00 AM sharp.
5	This item is one of the oldest artifacts on campus and was used to dismiss students from class in 1889. It was moved to its current location by the Historical Society in 1963.
6	There are 7 of these, which lead to the arts. Enjoy the show.
7	If you have the DOT you get in free, and thanks to the class of 2009, Mrs. Lowrey now has shade or shelter from the rain
8	If you don't have it, you can't go off campus for lunch, but don't worry... a replacement can be arranged in this location.
9	Students may not enter here, who knows what happens inside... but it is top secret. I personally think it's because you could buy a soda any time of the day, which is NOT allowed on school grounds... but DON'T go in!
10	The class of 2010 left their mark, but will be soon forgotten because of the class of 2018!
11	The items in here are almost obsolete, but if you have 10 cents, you can get what you need, as long as you are quiet!
12	The class of 1978 left behind one of the oldest class gifts on campus, which can be seen if you look up!
