We use sign up sheets on Google slides as a tool for all students to sign up for events, snack bars, selling grams or any other type of work we need done. The google sheet is labeled and clearly states dates and times on each slide for the work that is needed. All teachers are given access and add their students during class time. This helps us make sure multiple students are signing up as well as ensure tasks are completed.

SNACKBAR

Volleyball/ Boys and Girls Basketball

We use snackbar as a fundraiser throughout the year. Student ran with support of ASB advisors. Students learn to work together, organization and money skills throughout this task. ASB treasurer is set most snack bars and is responsible for organizing cash box before given to advisors for final count.

All grade levels work events. Primary/ handle money and take orders is 7th and 8th grade. Secondary and brings items up is 6th grade. This system helps train our new leadership students for future years.

Dance Snack Bars- Multiple locations- helps reduce lines. Snack bar outside with food/beverage area roped off. "Drink Garden". Helps reduce spills in gym.
