## ►Love Bug Instructions: Feb 18th 7am - 3pm !

The game begins on February 18th. You may not love anyone before February 18th.

Loving someone:

- "Love" your "Bug" (the person in the enclosed picture) by placing the sticker on an appropriate part of their body.
- The sticker must be stuck to the body itself. Backpacks don't count.

Do not love your "Bug" during any class time (including homeroom and collab/flex).

 Teachers may choose to mark their classrooms as "safety zones," where love bug is not allowed. You must respect the safety zones at ALL TIMES.

You cannot trade your Love Bug assignments

· You cannot have other people "love" your assignments for you

- You may only love someone on campus or at an SJND-affiliated event between the hours of 7am - 3pm
- If you successfully love your assignment, they are out of the game. They must turn over their current assignment envelope to you. You remain in the game and can now pursue your new assignment.

 If you successfully love someone and they refuse to give you their assignment, please inform ASB and/or Mrs. Stein.

If someone is playing unfair ASB has the discretion to disqualify them

 A daily form will be sent asking whether you have been loved (gotten out). Please respond every day to remain in the game.

Good luck!
