New Options for High School Students At Student Conference

Area B is constantly looking for ways to improve our conferences for students and advisors. This year it has been decided to add two new tracks. The first is for your school's ASB President and ASB Vice President. This tract will focus on how to build relationships within your ASB, communication, job descriptions, dialog amongst the leaders and other skills that these students may need to add or reinforce to make their positions effective. This idea is pulled from the CADA Leadership Camp and is spearheaded by Monique Walton.

The other track is for your experienced leader who has possibly been to camp, CASL and other conferences.

This track is for those who are entering their 3rd or 4th year of leadership. They have experience and are ready to use it. Students who sign up for this track will have the opportunity to be together and learn from each other. Area B is looking at Sandy Kurland, CASL Director to lead these students.

Other speakers will be Dee Hankins who was part of the CADA Convention Speaker Showcase last year in Reno. Other amazing speakers are; Stu Shaffer who will bring his "Traveling Junk Show", Character Counts, Community Service Organizations, CASL led Swap Shops and workshops, Amazing advisor led workshops, plus Derek Sage and SOS DJ at lunch, great food, fun and learning all packed into this one day.

So much packed into one HUGE day, this conference grows bigger each year. Do not wait until the last minute to register!!

Dress Up Contest at Student Conference

This year all schools are invited to be part of the FIRST EVER Area B Dress UP Contest! All students are asked to wear their leadership or school shirts but also to dress up using a dance theme like Flashdance, ballet, hip hop, 50's, 80's, Motown...your students decide and BRING IT!

All schools take a photo before the conference begins and judges will choose one high school and one middle school winner. Plan on being at the conference before 8:30 to have picture taken. Winners will be announced at the HS or MS last general session. Good luck to all schools!
