2019 Outstanding Leadership Program Award Application Information

The Outstanding Leadership Program Award is a distinguished honor presented to schools whose student leadership programs are proven spaces where student leaders grow as ethical, responsible, servant-minded architects of change. All CADA/CASL member schools are invited to apply for the award by preparing a self-study using the guidelines on the following page. Applicant schools must participate in the appropriate CASL State Conference in Santa Clara in order to display statewide engagement and complete their eligibility for the award.

Applications must be received by February 8th, 2019 for consideration by the CASL State Board and their Advisors. In order to allow time for all applications to be reviewed, and in fairness to all the applicants, late applications cannot be accommodated.

Principals and Advisors of schools selected for this honor will be notified by mail, and one student representative of each selected school will be recognized on stage at the CASL State Conference. Schools honored with the Outstanding Leadership Program Award will also be recognized at the CADA State Convention, in the Spring Edition of the CADA/CASL Newsletter, and on the CASL website.
