CASL Last Minute Tips Your Guide to a Smooth Conference Experience!

The 2025 CASL Conference is just around the corner, and we can't wait to invite you into the CASL of Tomorrow...Unleash Your Curiosity. Your students will depart from this three-day experience more inspired and determined to return to your campus and create the most inclusive student body possible.

Let's begin at the starting point in order to prepare this incredible trip for you and your change agents!

1. **Programs:** Check out the **MS and HS programs** for every detail of the conference. For our CASL Media Directors, this project has been a labor of love!

Area Rooms - Check out your Area Room location as it will be the first place to go once the conference begins.

2. **Venue:** To prepare you for the venue, check out the floor plans of the Santa Clara Convention Center and Hyatt Regency Santa Clara Hotel. They are also inside the program. Navigating the conference can be something previewed ahead of time to put everyone at ease in a new situation. Print out a copy and share it with your student leaders. There is also a Peet's Coffee + grab 'n' go Market. To view the menu, click here.

Address: 5101 Great America Pkwy., Santa Clara, CA 95054

3. **Arriving: Top 10 Things to Do Upon Arrival**. Not just 10, because CASL is always a bit extra!
4. **Transportation:** Transportation rules the world (or, at least, the education system!)

Flying: We will be providing a coach bus to pick up those flying into the SJC airport. We will have someone at the airport to greet you and provide directions to the bus! CASL is the Disneyland of leadership. The coach buses run a four-hour shift, looping between the SJ Airport and the Hyatt Regency Hotel.

Airport Bus Schedule: All those flying were requested to fill out a Google form in advance. **Download the 2025 CASL of Tomorrow Shuttle Schedule**

Buses: Any vehicle higher than 7.4 feet will be able to pick up and drop off the participants at the loading area on the side of the hotel. For parking, the bus operators are responsible for their own arrangements.

Driving: Parking - Parking at the Hyatt is \$40/night.

5. **Workshops & MTPs:** Be sure to check out the list of workshops in the program and see which workshops are offered. You will be given a set of tickets for all nine rotations upon arrival to distribute to your delegation. Also, devote some time to view the MTPs list and know what topic you would like more information about, as each student will be attending three rounds of MTPs. Need a little more information about Meet the Pros and wish to view all presentation topics: **caslboard.com/meet-the-pros**.
6. **Off-site Event:** We will be heading to Great America! They will be closing

the park just for CASL! We will also be having dinner at the venue. It is a 10-minute walk, and we will have a few cars if needed. Make sure your students have comfortable walking shoes and a jacket (or you can buy a CASL Sweatshirt at our CASL Store!)

7. **Packing List! [Download the packing list here.](#)**

8. **Meals:** We know kids are always hungry, and while we will have meals daily for all delegates, you may want to bring extra snacks and/or plan accordingly for any special needs. **[Click here](#)** for the full menu of each meal.

If you have never been to the CASL State Conference, you are in for an unforgettable experience.

We have over 1800 MS and HS student leaders, advisors, administrators, parents and CASL alumni to join the 2025 CASL State Conference. We are thrilled to meet all of you and grateful to have a platform in which we can provide this learning opportunity to so many in California. You have all contributed to making this happen.

Check out the recap videos from last year to see the energy that awaits you!

Take care of yourself and your delegation for next week, as they are about to have an experience of a lifetime.

Sandra Kurland, M.Ed.
It's a great day to change a life!
