Twenty-five dollars is all it takes to bring a day-long, research-based, interactive leadership training to your student leaders and their peers at local schools. Led by a **masters-trained educator with more than 10,000 hours in leadership training** experience, Leadership Development Days provide opportunities for middle and high school students to **get inspired to change their campus culture** and learn the practical skills needed to make those changes.

Registration includes all materials and a lunch for each participant. Don't delay your registration—we only have room for the first 300 change agents! **CADA/CASL Central must receive registration and payment one week prior to the Leadership Development Day, on October 29th, 2018.** We go to great lengths ahead of time to set up each participant for success, so we are not able to process refunds—we can, however, take a substitute in your school's place. **Please send payment at the same time as registration.** For information about registration and availability, or to register online, contact CADA/CASL Central at (831) 464-4891 or visit www.cada1.org/ldd. For information about the Leadership Development Day program, contact Sandra Kurland at leadership@cada1.org.
