

G-1: Adopt a soldier project

Community Service Idea-Denise Van Doorn

ASB and NJHS are teaming up to adopt a soldier! We have boxes in each classroom where kids and families drop off goods and letters to soldiers that we ACTUALLY KNOW! Well at least someone at our school knows them. Our ADMIN Assistant has a son in the ARMY and we post pictures on the walls of the soldiers receiving our stuff. The kids have really put a face to the person they are giving to!
