Twenty-five dollars is all it takes to bring a day-long, research-based, interactive leadership training to your student leaders and their peers at local schools. Led by an **educator with more than 10,000 hours in leadership training** experience, Leadership Development Days provide opportunities for middle and high school students to **get inspired to change their campus culture** and learn the practical skills needed to make those changes.

Registration includes all materials and a lunch for each participant. Don't delay your registration—we only have room for the first 300 change agents! CADA/CASL Central must **receive registration and payment one week prior** to the Leadership Development Day, on **January 25th, 2016**. We go to great lengths ahead of time to set up each participant for success and make sure they continue to stay supported upon return to their campus, **thus we require all registrations to be submitted from an adult at the school campus whom will be accompanying the student leaders for the day**. Please send payment at the same time as registration. For information about registration and availability, or to register online, contact CADA/CASL Central at (831) 464-4891 or visit [www.cada1.org/ldd](http://www.cada1.org/ldd).
