

H-2: People-to-People day-Denise Van Doorn

We do MIX IT UP DAY every year...it is a national event...some years we do this activity and some mixers...also we have done color coded lunch tables...you sit at a lunch table depending on the color you are wearing that day and we have ASB kids spread out to help...then we have “find someone who” kinds of questions they ask of one another.

People to People questions for mix it up day November 14, 2006

- Find a partner and stand shoulder to shoulder, if you don't have a partner walk toward me with your hand in the air...we will find you a partner...
- Put your right hand up and grab that skin in between your thumb and pointer finger. That is your webbie. Now turn to your partner and press webbie to webbie for a firm handshake. Look them in the eye and say “This is gonna be fun!”
- Now for the rules of people to people, I will call out an action and you must do it quickly...when I say people to people, you will quickly find another person. So with your current partner let's begin.

Call out body part to body part and after a few then say

“People to people”

Webbie to webbie!

Shoulder to shoulder

Thumb to hip bone

Toe to knee
