LEADERSHIP Positions:

- ASB BTV commissioner
- **School Site Council Member**

Stand Out!

- *Awarded for promoting peace and non-violence by classmates*
- *Outgoing/ Encouraging*
- *Can speak in front of a camera*

1. **What do you think ASB is about?**—I think ASB is about making the school the best it can be, in every possible way. This includes: the student body's attitude toward school, to get good grades, to make the right choices, to be successful, and lots more.
2. **What do I personally have to offer ASB in this leadership class?**—I can personally offer a friendly attitude to students to come to me for anything. I can also bring technical skills, such as: computers, sound systems, ECT.
3. **What do I see in the future for Bear Valley ASB?**-- In the future, I visualize ASB getting the student body of Bear Valley Middle School to get excited for school in every way, I can see the whole school becoming a connected family with each other getting involved in school.
4. **Describe your best quality and apply it to ASB.** — My best quality is leadership. I can control a crowd, I can be a good example, and I can be even a spokesperson for the people who cannot speak for themselves. I can be the heart for the 2010-2011 Bear Valley Middle School ASB class.
