

D-13: Note to homecoming prince-princess-Cindy Bader

Dear Homecoming Princes and Princesses: _____

Congratulations! Now your real work begins! Please plan to attend a mandatory meeting today during 7th period to discuss the important aspects of your job for the next two weeks.

At the meeting you will:

- Receive your skit scripts (which you must follow exactly)
- Receive parade directions (start finding a car—your form is due ON the due date!)
- Receive information about the half-time festivities which are new this year!

We look forward to working with you and are excited about the upcoming events—in which you are the stars!

Please use this letter as your pass out of class!

Thanks!

Cindy Bader
