

K-2: Brown Bag Lunch-Kelly Todd

BROWN BAG LUNCHEON

(Students will sit by grade)

--Mrs. Todd will welcome everyone

--All leadership pairs will introduce themselves

--We will then separate in to smaller groups. You will take your group then onto the Green or PAC patio or stay in B-21 to eat lunch.

--Please have everyone introduce themselves and where they are coming to M-A from.

--Let the new students ask their questions. If it seems to be a slow start, give them examples of ways to get involved at M-A (clubs, athletics, etc.)

--If you don't know an answer, DON'T make something up. You can take down their e-mail address and get back to them.

--You don't need to keep them until the end of lunch, but we need to answer all of their questions.
