

Leadership Activity

An idea from Kim Karr, Excelsior Middle School, KKarr@byron.k12.ca.us

Lap Stack: Students are in a circle in chairs. Move to the right if you have ever...

Used someone else's toothbrush, Wearing a ring, Wisdom teeth removed, Eaten pizza for breakfast, Broken a bone, Been camping, Swam in ocean, Snow Skied, Been out of the country, Stayed up all night, Had surgery
There could be a chair with 3 students stacked up on top of each or a chair could be empty depending on if they had to move or not. Great game to play as an ice breaker.

Coming together is a beginning.
Keeping together is progress.
Working together is success!
