Your Proudest Moment

Write a one-two page paper (double spaced, 12-point font) describing ALL of your **non-council related** accomplishments in Leadership this semester. Highlight your proudest moment so it stands out in your paper. Tell why it was your proudest moment of your semester in ASB.

Create a one-page, graphic-laden, work-of-art on the computer to show us what your commissioner job is all about. This will be submitted with the application for Activities Program Award to CADA/CASL.

You will give a 2-3 minute speech on your proudest moment to the class on the finals day.
