#Engage

Think about YOUR campus...

- What motivates our students?
 - Most of the time it is activities, food, money, free stuff, or time away from school
- What is already working well on our campus?
- What do the students look forward to every year?

CONNECTION ACTIVITY

- Find out which students are connected with who
- Do this activity with staff and ASB officers
 - Get print out of every student on campus, print list by grade, alphabetical in size 18 font.
 - Paste this list on a butcher paper AND POST IN CONFIDENTIAL LOCATION
 - Give foil star stickers or dots to staff and officers(different for each group) and have them put a sticker next to each student they have a connection with.
 - Make 4 lists
 - Highly connected, moderately connected, low connection, no connection
 - *Focus on those kids with low/no connections*

TEACHER'S CHOICE AWARDS

- Each teacher chooses 1 student out of all classes who is NOT on renaissance for academic reason of their choice
 - Use list of all NON connected or LOW connected students to staff
 - Teacher chooses 1 student, writes a paragraph on why they chose them
 - Students are chosen 1st come first serve by teachers(Use google spreadsheet)
 - Quarterly awards, 4 per year, we recognize 90 students
 - Student is presented with In-N-Out lunch in front of peers in lunchtime presentation by AP where paragraphs are read, maybe at an all school event, maybe teachers read?
