

Rio Norte Junior High School Talent Show Contract

- All acts will be assigned an audition number when you sign up. All acts will be called to audition when your number comes up. If your act is not ready when your number is called, you may forfeit your chance to audition. My audition number is # _____.
- By signing up to audition for the Talent Show, you understand that you must be available for the audition from 2:00 to 5:00 p.m. on Thursday, May 11. You must be **show-ready** for the audition. This means you know all your moves, music, lyrics, etc. Bring your “A-game” to the audition, and don’t bring any excuses.
- You also understand that the Talent Show is on Tuesday evening, May 23, and that a dress rehearsal for the Talent Show is scheduled for 2-5 pm on Monday afternoon, May 22. Please make all these times available in your schedule.
- All songs are subject to approval, should be no longer than 3:00 minutes, and should be appropriate for all ages and audiences.
- In making final decisions for which acts will appear in the talent show, the judges will take into consideration the following factors: appropriateness of the act, the quality of talent of the performance, and the number of other acts with the same type of performance (not having performances that are too similar to each other). The decision of the audition judges to include or exclude an act is final.
- Auditions may be video-taped.
- By auditioning, you agree that the song, lyrics, dance moves, etc. that are used in the audition will be the same as the ones used in the actual show. Any change of song, lyrics, dance moves, etc. must be approved by Mrs. Painter prior to the Talent Show. Any unannounced changes to your performance may result in immediate ejection from the show and possible school disciplinary action.

I understand all the above guidelines and understand that a failure to follow them may result in my inability to participate in the Talent Show, and possible disciplinary action.
