TAKING PARTICIPATION TO THE NEXT LEVEL

What is FOMO?

It's the Fear of Missing Out...Or a need to be connected with the activities of friends or other people.

Building a school culture where the Discipline of Dean's office can also be a place where student activities supports each and every student.

How can we create FOMO with ALL students.

STUDENT IDENTIFICATION BADGES

- School Safety
- Wear Everyday
- Must be visible
- Lanyard with School Motto
- Kids hate them!

- Inspired by Disneyland
- Buttons/Pins with positive reinforcement
- Anti-Bully Pins
- Straight A's
- Clubs/Sports
- They love to collect & wear them
- Causes FOMO

SPARTAN SHOUTOUT!!

Our School Motto is **C**ommitment, **M**otivation, **H**onor, & **S**uccess

How can Student Activities support the school's own Mission, Vision, or Motto to reinforce core values.

Teachers are given 4 cards or buttons representing each letter. When they witness ANY student modeling that behavior/practice, they are awarded one button or card.

Student with ALL 4 core values receives recognition

SPARTAN WAY

Student Activities reinforces the recognition in a “Smarty Pants Gram”
