Lessons Learned (continued)

2018
Mandatory lip dub in Homeroom
› Lack of interest year prior → 2 years before lip dub, group of seniors sad!
› Rain in forecast - emergency ponchos in school colors!
› Student ran in front of camera, blocking runners, during the entire first take. Always do a 2nd take!

2019
Mandatory lip dub in Tutorial
› We’re getting better over time!
› Film students highly involved
› Better process for students without permission
› Two takes necessary again (we got out of sync with the music)
