My Why:

Denise Noleroth-Bunger

successfully and unsuccessfully!

*14th year of teaching

*8th year of teaching Leadership, 4th year of teaching Leadership at Wells

*My Why = I love the larger picture of how I can impact my students directly and indirectly at the school; I love the energy and the controlled chaos of Leadership; I love being inspired by my students to make a positive difference; I love the nontraditional teaching experience of Leadership; I love doing what I can to focus on their "character muscles" and their whole being; I love facilitating a process where they learn by imagining, planning, designing, creating, and running things,

Leadership Buddies

*Each student has a Leadership Buddy in a Leadership program at the other Middle School

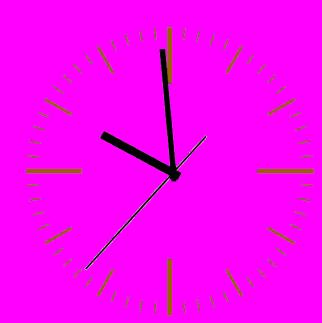

*Monday's: A question is asked that they must write an answer to their Buddy to be turned in (on paper) on Tuesday.

*After being checked off by a student, the papers are sent through Inter District

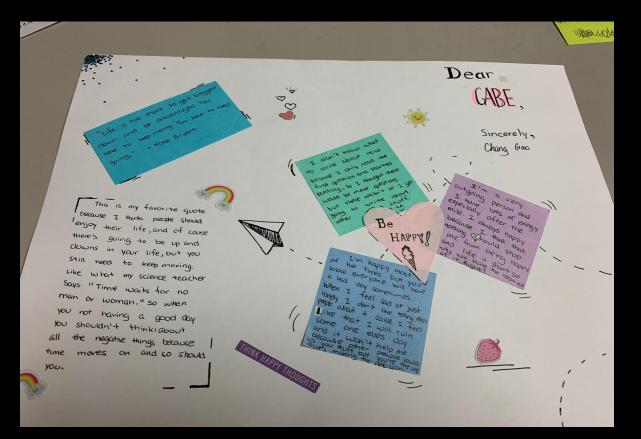

Mail to the other Middle School.
