What is your school's mission statement or
Core Values?

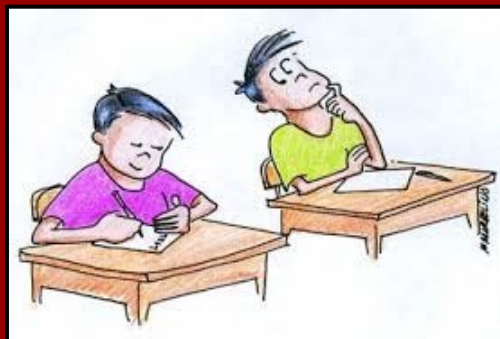

Integrity

- The first I in SPIRIT means integrity.
- Integrity means to be honest and do the right thing when nobody's watching.
- Academic integrity is the commitment to and demonstration of honest and moral behavior in an academic setting.
- It is important to have academic integrity because serious consequences can come from cheating.

This year our theme is #GOkind. We are asking students, staff and parents to share acts of kindness with us. They should be associated with a current student. Here is one of those experiences.

Last Friday, my son came into my home office crying while I was helping one of my students during Intervention. The student I was helping asked what was wrong with my son. I explained how my son has ALWAYS struggled in school. The student asked if he could talk to my son. I obliged and prompted my son to sit in my seat and converse with my student over Zoom. The student, Cameron, proceeded to share the story of his own academic struggles with my son. All the while, my son sat quietly and listened intently. When Cameron was finished talking, my son wiped away his tears, stood up, and stated that he was going to get back to work. My son later told me that it was really helpful to hear encouragement from someone other than his mother and father. He added that it was really nice to talk to someone whose story was so similar to his own. I am so grateful to Cameron and ALL of our students who have chosen to #GOKIND this year.

If you have an experience, please share with us. We will go to the students home and deliver a yard sign. We want to saturate Temecula with these signs.

STAFF
SPOTLIGHT W/
MRS. MARSHALL

Our Staff Spotlight this week is Mrs. Marshall! She teaches Geometry and Algebra 2. She went to Cal State University in Bernardino and Chapman University to get her Bachelors in Mathematics and Masters in Education. Believe it or not, this is Mrs. Marshall's first year teaching at Great Oak, and she says nothing is better than being able to support her students, specially through these difficult times!

Created By: Nadia Ali
& Sarah Gereda

Staff Spotlight
Ms. Woelke 

1. How long have you been teaching at Great Oak?
I have been teaching at GOHS for 15 years and have been here since the first graduating class of 2006-2007

2. What is your favorite part about teaching?
My favorite part about teaching is being able to witness seeing student success, achievement, and interest in their learning

3. What college did you attend?
I attended California State University, San Marcos for my BA in Literature and Writing Studies with a minor in History.

4. When did you decide you wanted to become a teacher?
I knew I wanted to be a teacher from an early age. I have always enjoyed learning and could not picture my life without school.

5. Do you prefer in person school or online better? Why?
I would much rather be teaching in person. I really miss being able to have in-person interactions with my students and get a better feel for their personalities, interests, strengths, and needs.

Helpful Advice-
by Madison Bente

Q: What are key things I need to make sure I'm doing to maintain good grades?

A: It is important especially now to stay organized as well as be consistent with doing your work. Stay on top of your work and try not to fall behind.

Q: What is the best thing about Great Oak?

A: The best thing about our school in my opinion is the spirit and enthusiasm our student body has, even amidst the current pandemic.

The Stresses of Online Learning-
by Hannah Jung

Are you guys ever in a breakout room and nobody says anything and it becomes super awkward? And then you think about turning your camera off but then realize that you aren't allowed to? Believe me, you aren't alone. I'm a Junior and it's still awkward. Also, is it just me or does online class make you really tired? I know that we are given 30 minutes of intervention to work on homework after every period but honestly, sometimes I feel like taking a nap during that time. Anyways, we just want you to know that you aren't the only one experiencing these hardships- we are all in this together and someday, we will be able to laugh to regular school. So don't lose hope and keep trying!

Friendly Faces From Peer Leaders-

Empowerment with Evan-
by Evan Hoffmann

Hey friends! I'm Evan and I'm a junior this year in Peer Leaders. As you probably know by now, I'm going to let you friends know a few ways you can empower yourself! Through these stressful times of not going through freshman year like usual, I get why you sometimes struggle to complete your work. I too was once a freshman and some things that I heard from the upperclassmen were, "You may encounter speed bumps, but don't worry about them all. You'll still get to your end destination." These words I still remember two years later! I've lived by this and I believe all of you should too! And remember even if school is hard, I believe in you to push yourself to be the best version of you that you can be.

GO WOLFPACK!

Groovy Guesses-
By: Madison Bente

Hey friends! I'm here to offer some fun trivia questions to you! Let's see if YOU know some history about Great Oak! The answers to these following questions can be found across from the questions, let's get into it and get some groovy guesses! Don't fret if you get any wrong and have fun!

1. When did Great Oak originally open?
2. What are our school colors?
3. What animal is our mascot?
4. What does S.P.I.K.I.T. mean?

If you got these questions correct then good job! If not it's okay you can try again next month!

HELPFUL HACKS TO STAY HEALTHY-
BY KATELYN HUESTLER

1. Always eat breakfast, this can lead to a successful day
2. Take breaks in between your school work so you don't stress yourself out
3. Get your body moving daily
4. During intervention stay to get extra help from your teacher if you are struggling
5. Ask as many questions as you can because chances are someone else has that same question as you.
6. Reach out to your teacher and let them know what your struggles are so they can help you succeed

Meeting With Mateo-
by Mateo Joseph

What's Up Friends! It's time for a little one way meet and greet! My name is Mateo and I'm a Peer Leader this year. I am a Senior this year at Great Oak and I run track, I also love everything math and science related. And I know... you're in a tough place. Covid-19 and the situation it put us in is no fun, it really isn't. We all know it, but we're all going through it so you're not alone. We can't control much, but we can control how we deal with it and come out of it. That's what matters. You have a whole team of students going through what you are to help you make it through this year and I promise you will. You've got this!

HAVE A GREAT OAK DAY MENTAL HEALTH -
by Katerina Pelt

ALWAYS REMEMBER, DEALING WITH OR EVEN TALKING ABOUT MENTAL HEALTH IS DIFFICULT. FROM PERSONAL EXPERIENCE, SOME DAYS I CAN'T GET OUT OF BED AND OTHER DAYS I HAVE THE BEST DAY I'VE HAD IN A WHILE. WITH ONLINE SCHOOL, IT'S HARDER TO KEEP OUR HEADS UP BECAUSE WE AS STUDENTS HAVE NO SOCIAL INTERACTION THROUGH SCHOOL AND MORE HOMEWORK. I'M HERE TO TELL YOU THAT YOU HAVE THE RESOURCES TO PUSH THROUGH WHAT YOU'RE DEALING WITH. ALSO, OUR LEADERS ARE HERE FOR YOU AND TO LISTEN TO ANYTHING YOU HAVE TO SAY.

One of the many red wave days at Great Oak!

Team Inspire Outreach

Every Monday Matters:

- Make a video for every monday highlighting new monday challenge
- Document personal progress
- Example campaigns: Welcome feedback, Be patient etc
- *INSPIRE* GOHS students through various announcements to strive toward personal improvement

Because I said I would: - Biggest Campaign involving personal testimonies and Yearbook senior quotes

- Send out BISIW cards to students to fill out and keep
- Use social media platform to publicize the achievements of students
- Put BISIW cards in yearbook as a permanent record of student progress

Publicity Outreach

- We have our “Quote of the Day,” which is where we, as a committee, find quotes and have them posted on the Great Oak instagram to uplift students during their school day
- We also made 2 weeks worth of videos for the Freshman Orientation. One segment was called “Freshman Q&A” and “Wise Words from the Wolfpack.”
- We plan to collaborate with WSB soon to create a video touring our campus and getting the students, especially the freshman, excited to get back soon to our awesome school!

When we focus on
our gratitude,
the tide of
disappointment
goes out, and the
tide of love
rushes in.

Humans of Great Oak

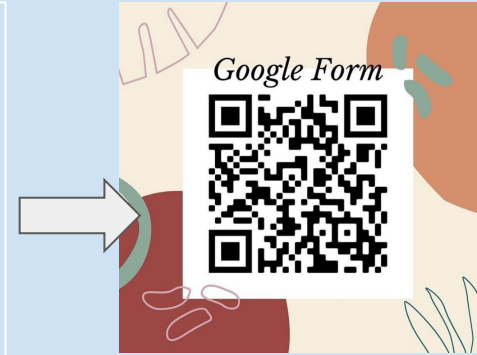

What is “Humans of Great Oak?”

- ★ This is a series where we feature students (anonymous and not anonymous) on our Instagram who have a story to tell, one about something they have experienced/are experiencing and how they have coped with it. We got this idea from the Instagram account, @humansofnyc. Some examples of topics that can be discussed are mental health, divorce, body image, loss of loved one/friend/pet, what it's like being in a military family, and so many more! As of now, we post one student a week.

Our Purpose

- ★ We are doing this series to create a sense of empathy and understanding among our virtual campus and to show students that others are struggling, too. We everyone to know they are not alone!

This is the QR code for the google form where students share their story to be reviewed by Mrs. Balka and possibly featured!
