The Why

How can we honor and recognize students and staff in a meaningful and authentic way?

Students (and adults) want to be seen and heard.

Our Reality: Replacing our traditional activities but still using the positive emotions associated with them to make an impact.

What traditions do we keep?

What are our limitations and what can we do?

Hybrid vs. Fully Virtual
Start With A Theme
Traditions Retained and Ways to Celebrate
Small Cohorts on campus and Breakouts Online
Group leaders by team: t-shirt, script, posters, backdrop, photo stops, PR, dances, games and music.

The Final Product
Timing is everything, keep the clips manageable, titles that pop and music that rocks

Gathering Teams
Explore the Options
Formulate a Plan

Shirts
Programs
Parent Letter
Staff volunteers
