# **What is the point?**

**These kids are leaving, why should we invest in them?**

“

If you knew you could make a positive difference in someone's life- that you could create a memory for them that would last for years- and it would only take a trivial amount of time on your part, would you do it?

”

- **Chip Heath**

# Schedule in Advance

- x After ASB elections in the spring, start mapping out your year.
  - x Once dates are approved, print a year at a glance paper for seniors
  - x Consider a senior class assembly to kick off the year
- 

# Our Staple Events

## **Senior Sunrise**

Typically this is the second week. We have donut holes, Sunny D, a DJ, yard games, and we watch the sun rise and the senior class president speaks!

## **Senior Tailgate**

Kick off the first home game with an old school tailgate. Canopies, private entrance, hot dogs, yard games, and reserved seating. Get students in the school spirit early!

## **Senior Night**

Honor athletes and leaders at final home games.

# Our Staple Events

## Formal

ASB planned event.  
A chance for the kids  
to get all gussied up.  
We have it at the  
same place every  
year.

## Prom

Junior Class Event.  
The goal is to pay for  
all of the senior  
events for the  
coming year.  
Scared money don't  
make money.

## Senior Recess

One last recess before  
it's gone forever.  
Retro snacks, candy\*,  
tether ball, giant  
connect four, nerf balls,  
laser tag, four square,  
volleyball, carrom, local  
musical talent, and  
freestyle battles.

# Prom

Prom is planned and run by the Jr. Class. All profits are used to fund Senior Class activities. The bigger the hype, the more revenue generated.

# Our Staple Events

## Senior Panoramic

This event is a fun time for seniors to get together and take a photo. It is available for purchase, and can be fun to let students make a theme for their friends.

## Senior Breakfast

FREE. FREE. FREE.  
This is a breakfast in the cafeteria for all seniors during 1st period. Continental style and we pass out yearbooks.

## Senior Follies

A no holds bar sketch comedy event for seniors to make fun of various events that happened over their high school careers.

# Senior Signing Ceremony

- Formal invite

- Focus on City College and local CSUs
- Flags

- University and Military Representatives

# Responsibility

Utilize your staff AND student leaders!

# Class Advisors

## Continuity

- Keeping advisors with the same grade level
  - Keep events the same
  - Have younger students run the events
- 

## Structure

- Find staple events and traditions, stick to them
- Allow for some changes
- Try out new events until new traditions are adopted

## Balance

- ASB and class officers need to work together
- Designate ASB and Class officer jobs for all senior events (different budgets)
- The more students involved in the planning the better

# ASB & Class Officer Structure

The key to accomplishing all of these events, is planning and student production. A working relationship between both groups provides diversity and a large workforce.

## Connect your students

Embrace social media.  
At the end of the day,  
it's how kids stay  
connected.

Put the kids in charge!

Making hype videos goes  
a long way for students.

# Let's review some concepts

## **Collaboration**

A balanced workload between class advisors, ASB director, ASB student leaders, and class officers is paramount

## **Fresh Ideas**

Don't be afraid to try new ideas that students come up with!

## **Social Media**

Promoting events on social media is imperative. Making sure photo opportunities at your event will help spread awareness for next year as well

## **Planning**

Planning events for the entire year early on will help spread awareness and balance work.

## **Key Events**

Decide what the important events are on your campus and make sure you get them right! Innovation is not bad, but respect the tradition

## **Memories**

Remember that the goal is to create positive and lasting memories for the seniors.
