

Hosting an ASB Summer Retreat in Middle School

(but High School will get something from this too!)

Introduction- What IS a Summer Retreat?

- An opportunity for an ASB class to come together BEFORE the school year starts
- My reasoning:
 - So that my ASB kids' first day of school is NOT their first day of the ASB experience
- Who is Involved? Consider:
 - Entire class(es), or just your ASB Cabinet?
 - Ask Administrators to join, especially in fun activities

Decide on your Preferred Scale

- How long do you need / want to plan for?
- A morning or afternoon:
 - **Pro:** Probably don't need to feed them; **Con:** can't get as much done
- All Day:
 - **Pro:** Get more done; **Con:** Need to factor in a meal
- Two+ Days:
 - **Pros:** Get TONS done, kids will get to know each other well; **Cons:** Have to feed them multiple times, and either have to figure out sleepover plans or have kids get brought to school/picked up each day
