1	<p>What was the first day you watched? List two strengths of the activity and a weakness. Rate the activity on a scale of 1-10, 10 being the highest.</p> <p>Ring toss. I would rate this a 3 because I wasn't understanding what they were doing in the beginning until someone told me. It wasn't that interesting either to be honest. Two strengths is that people were having fun and they tried their best.</p>
2	<p>What was the second day you watched? List two strengths of the activity and a weakness. Rate the activity on a scale of 1-10, 10 being the highest.</p> <p>Once I believe were the people running for king and queen and they were eating cereal. I found it adorable. I would rate it a 8. I don't find any weakness in the activity.</p>

What did you do this month?

1

Kindness and Student Appreciation

Aug-Sep

Chris A, Madison D, Alyssa M, Qosimjon Q, Celeste
P, and Kihana V

2

What did you do this month?

During August our group came up with activities we could do for September. In September we decorated the bulletin board in the quad with a quote. We began to plan an activity for this month but we got caught up in homecoming and icebreaker work. Our group made the posters for the Sophomore section for the rally. When October came we began on our paper flower activity.

3

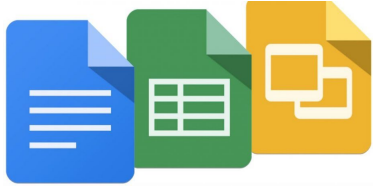

What did you learn this month?

This made us all learn that value of communication and teamwork. Without communicating, we would have stumbled to the ground and have not known what to do. It also made us learn that teamwork is key to making something that will have an impact.

4

What did you enjoy about this committee?

I enjoyed the ideas we came up with for this committee. Being in a kindness / student appreciation group brings many ideas and activities. Even though our group didn't do many activities due to being busy with homecoming and icebreaker we came up with many ideas that may be the next group.

Rally (25 pts total)

1. Rally Prep, What did your group do for the rally? Post a picture of your section after it was done if you have one.

My group and I were in charge of the stage backdrop. I personally was in charge of doing the picture cutouts that were placed on top

2. What was your favorite part about the rally?

I didn't have a favorite part of the rally, I felt it was all unorganized.

3. What are two things we can improve upon for next time?

Next time we can improve on having games that are more entertaining and making sure you are able to hear what is going on.
