Laws of Leadership...

John Maxwell

- **The Law of Process** – Leadership develops daily, not in a day.
- **The Law of Solid Ground** - Trust is the foundation of leadership.
- **The Law of Looking** - Leaders look at everything with a leadership bias.
- **The Law of Priorities** – Leaders understand that activity is not necessarily accomplishment.
- **The Law of Empowerment** – Only secure leaders give power to others.
- **The Law of Sacrifice** - A leader must give up to go up.
- **The Law of Influence** - The true measure of leadership is influence - nothing more, nothing less.
- **The Law of the Lid** – Leadership ability determines a person's level of effectiveness.
- **The Law of Respect** - People naturally follow leaders stronger than themselves.
- **The Law of Magnetism** - who you are, is who you attract.
- **The Law of Connection** – Leaders touch a heart before asking for a hand.
- **The Law of the Inner Circle** – A leader's potential is determined by those closest to them.
- **The Law of Navigation** - Anyone can steer the ship, but it takes a leader to chart the course.
- **The Law of Reproduction** - It takes a leader to raise up a leader.
- **The Law of Buy-In** - People buy into the leader, then the vision.
- **The Law of Victory** - Leaders find a way for the team to win.
- **The Law of the Big Mo** -Momentum is a leader's best friend.
- **The Law of E.F. Hutton** - When the real leader speaks, people listen.
- **The Law of Timing** - When to lead is as important as what to do.
- **The Law of Explosive Growth** – To add growth, lead followers – to multiply growth, lead leaders.
- **The Law of Legacy** - A leader's lasting value is measured by succession.
