giving back...

Never felt so good!

A large group of young children and adults are seated on red bleachers in a gymnasium. The children, mostly of preschool age, are looking towards the left side of the frame. Some are holding small green objects, possibly maracas. In the background, there are colorful decorations on the wall, including a large cutout of a person's head and various letters and symbols. The text "Kinder Pep Rally" is written in a large, white, cursive font across the top of the image.

# Kinder Pep Rally

ASB holds 2 kinder pep rallies a year complete with games, the drumline and chants!

Supporting our  
ATHLETES

A hand-drawn sunburst graphic with approximately 12 rays, drawn with white lines on a black background. The rays are of varying lengths and angles, creating a simple, sketchy sun effect.

# How we support our athletes...

# Events that promote athletics

- Buff N' Tuff (volleyball vs. football)
- Cheer at all rallies (leading chants)
- Student vs. Staff Basketball Game
- Student vs. Staff Softball
- Powder Puff (juniors vs. seniors)

Senior

BANNERS

ASB hand paints senior banners and present them to the athletes on senior night.

Academics

How we  
support  
academics...

- Student of the Month program
- Decorate and host Awards Nights

# Team MAROON

# Team SILVER

The teams are chosen in a fantasy draft each year. The teams then compete all year long at lunchtime activities, pep rally games, and showing up at sporting events. The winning team gets a week of wearing jeans and bragging rights of course!!

# Encouraging Staff Involvement

- Every staff member has an ASB buddy
- This buddy celebrates their birthday, spirit weeks and holidays with them
- They are also responsible for changing event fliers in their rooms

Everyone  
loves a  
treat!

- ASB donates items and makes goodies for their buddies
- We almost **ALWAYS** deliver them when we need something

# Celebrate everyone

STAFF SHOUT OUT

*Mr. Lee*  
SOCIAL STUDIES

*nominated by*  
Alisa R.  
11th grade

"Of all the teachers on campus, no one is like Mr Lee. I haven't had him since 7th grade and he's still by far my favorite teacher ever. He's so laid back and overall a really cool person to be around but also extremely good at what he does and I respect him a lot for that. I always told myself that when I'm a teacher one day, I'm gonna try to be like him cause just hanging out in his class every once in a while can make a bad day turn upside down. YOU'RE THE BEST MR. LEE!"

# ASB Member Birthdays

## Silly Traditions

Each time we have an ASB member with a birthday, we put a silly headband on them and serenade them! It's the silly things they will remember!

## Photo Wall

We take A LOT of photos! We put them up on our wall so we can see how far we have come as a team. At the end of the year we give out the photos to the ASB members at the ASB banquet

## ASB Jerseys

Each member gets their own ASB jersey. Jerseys are not allowed on campus except for athletes so this shows that we are a team just like them. Officers get their positions embroidered on the sleeve and their class numbers and last name on the back.

ASB

## TRADITIONS

### ASB Banquet

At the end of the year we send out save the date cards to the ASB parents. We meet at an Italian restaurant and present our awards, lettermen letters and advisor gifts. Students cry, advisors cry, it is a beautiful way to wrap up the year.

### Seniors Ceiling Tile

Every year, the ASB seniors decide on a theme for their tile and then leave their mark as they paint a ceiling tile to leave in their place.

# Battle of the Classes

Grade levels compete against each other all year at pep rallies and lunchtime events. Points are also awarded for attending fundraisers and sporting events. This increased our student participation on campus by 80% over the past two years. Points are updated in bulletin boards on campus, morning announcements and Instagram.

# Elf on the Shelf

*point competition*

Teachers dressed up as the elf and hid around campus. Students had to find them and take selfies. They then tagged us on Instagram for points!
